Revised Permit Notice

Ready-Mixed Concrete Truck Permits

Date: 10/31/13

Purpose: To notify you of a new TxDMV annual permit for Ready-Mixed Concrete Trucks (RMCT) that will be available 11/01/13.

Permit Information:

Vehicles – Only ready-mixed concrete trucks operating on three axles.

Weights – Allows a truck to exceed single and tandem axle weights by 10 percent (25,300 pounds maximum on a single axle and 50,600 pounds maximum on a tandem axle) provided the gross weight does not exceed 69,000 pounds.

Travel – Unless otherwise provided by state or federal law, a RMCT may operate on a state, county, or municipal road, including a load-zoned county road or a frontage road adjacent to a federal interstate highway, if the RMCT displays a sticker required by Transportation Code, Section 623.0171(e) and does not exceed the maximum gross weight authorized under Transportation Code, Section 622.012.

Fees - Annual permit fee is $1,000.

Local Permit and Bond Requirements – Unless otherwise provided by state or federal law, a county or municipality may not require a permit, fee, or license for the operation of a RMCT in addition to a permit, fee, or license required by state law. Counties and municipalities may not require a surety bond for the operation of a RMCT permitted truck.

Windshield Sticker – Permit stickers must be affixed to the windshield of permitted vehicles. RMCT permits are mailed to applicants; they are not available at TxDMV offices.

Action Required:

Starting 11/01/13, use one of the following methods to apply for the RMCT permit:
