

VTR-852 Rev. 3/2012

## ASE Safety Inspection and Application for Custom Vehicle or Street Rod License Plates

<u>Custom vehicle</u> is defined as "a vehicle that is at least 25 years old and of a model year after 1948; or manufactured to resemble a vehicle that is at least 25 years old and of a model year after 1948; and that has been altered from the manufacturer's original design or has a body constructed from materials not original to the vehicle."

<u>Street rod</u> is defined as "a vehicle that was manufactured before 1949; or after 1948 to resemble a vehicle manufactured before 1949; and that has been altered from the manufacturer's original design, or has a body constructed from materials not original to the vehicle."

## IMPORTANT - VEHICLE INSPECTION REQUIRED.

**SAFETY INSPECTION:** The vehicle must be certified by an Automotive Service Excellence (ASE) Certified Master Automobile and Light Truck Technician as being structurally stable and safe to operate on the public highway. The ASE Technician must have current ASE certification as a Certified Master Automobile Technician; technician must inspect the vehicle, and sign the statement below.

The automotive systems and parts listed below must be inspected, as applicable, based on the year model of the replica vehicle. To obtain a Custom Vehicle or Street Rod specialty license plate, the vehicle must meet the applicable definition above, and page 2 must be completed. It is recommended that you carry a copy of this completed application in your vehicle.

## ASE Safety Inspection and Application for Custom Vehicle or Street Rod License Plates

## **GENERAL REQUIREMENTS** – Read carefully

- ASE vehicle safety inspection must be completed before this application is submitted to your county.
- Texas title branded "REPLICA" and vehicle registration must be in your name. If vehicle is leased, attach a copy of the lease agreement.
- If vehicle is sold, "Custom Vehicle" and "Street Rod" license plates are non-transferrable.
- Upon sale or transfer, the vehicle must be re-inspected by an ASE Certified Technician in order to obtain the "Custom Vehicle" or "Street Rod" license plate.

When the specialty plate is issued, an additional fee may be collected to establish a single expiration date for both the specialty plate and the vehicle registration. If ordering by mail, contact your County Tax Assessor-Collector's office in 2-3 weeks to verify your plate is ready for issuance. Contact your County Tax Assessor-Collector's office if you have questions.
