Dealer Training Seminar

The Department of Motor Vehicles (DMV) wants you to become more familiar with current laws so you can avoid violations that may result in civil penalties or loss of your license. This is your opportunity to ask questions, clarify information and educate yourself on the DMV procedures. Topics are presented by DMV personnel and representatives from other state agencies.

The Day-Long Comprehensive Overview of Dealer Laws includes:

- → New rules regarding premises requirements
- License renewals, amendments, and supplemental locations
- → Records required to be kept
- ★ E-Tags and dealer plates
- ★ Advertising rules

- **→** Repossessions
- + Seller financing
- ★ Titling and registering vehicles
- Sales tax and vehicle inventory taxes
- What to do if you receive a petition from the DMV

Each participant will receive a training manual with forms, phone numbers and other information needed to conduct business.
