Mandatory 24 months of  
registration for new vehicles  
with a 2-year inspection  
(certain registration classes)

# 2YR INSPECTION & 24 MONTHS REGISTRATION

---

## **Counties:**

If the vehicle receives a 2-year Inspection it is required to be registered for 24 consecutive months (for most registration classes). There is no need for counties to verify the correctness of the type of inspection the vehicle receives.

## **Dealers:**

Continue to inspect vehicles just as you do today; however, those vehicles that receive a 2 YR Inspection are now required to be registered for 24 consecutive months (for most registration classes).
