Grouping Transactions for Payment

- ❑ Grouping is not required
- ❑ You will assign permissions to dealer/CFB through the account configuration function
 - ❑ Each entity will have to be configured individually
- ❑ Title applications can be grouped for payment and approval following review
- ❑ You or the dealer/CFB can group transactions depending on the permissions you enable
 - ❑ If the dealer/CFB is set to grouping, they must group the transactions before you can approve and process payment
