- Federal Unified Carrier Registration (UCR), or
- Texas Department of Housing and Community Affairs (TDHCA) licensing, or
- Homeowner - The homeowner may move their home provided the home and pulling vehicle are both registered to the homeowner. This only applies to homes being moved by the owner as a personal family dwelling.

Prior to being issued a permit, applicant must understand the following:

- A General Permit (Form 106) is required to haul a stack of manufactured housing frames or housing that exceeds legal gross, axle, or axle group weights.
- Each permit is valid for five days. No movement is allowed on the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, or Christmas Day.

For faster processing, order your permit online through the Texas Permitting & Routing Optimization System (TxPROS) at TxPROS.TxDMV.gov.
