The Texas Department of Motor Vehicles (TxDMV) is charged with overseeing the state's motor vehicle services that provide consumer protection, assist motor vehicle-related businesses and raise revenue for the state. For every \$1 it spends, the TxDMV returns \$10 to build and maintain highways, roads and bridges and provide needed services to Texans. Each year the agency registers more than 21 million vehicles; regulates more than 27,000 vehicle dealers; credentials buses and big trucks for intrastate and interstate commerce; and awards grants to law enforcement agencies to reduce vehicle burglaries and thefts.
