AT SHOPPING MALLS, PARKING LOTS, THEATERS, APARTMENT COMPLEXES & CITY STREETS

Car thieves in Texas steal close to 100,000 cars and trucks annually, and burglarize thousands more. What's more, they can be across the border with yours before you even know it's missing. When you leave your vehicle, *HIDE* your things, *LOCK* your car, and *TAKE* your keys. Remember... *YOU HOLD THE KEY*.
